

Pumas Fastpitch Core Principles

Prepared Our players will be trained for strength, agility, and mental ability to perform in high pressure situations. They will receive proper training so that they feel prepared for every contest they compete in. Discipline determines destiny.

United Pumas are bonded in their mission and purpose. We will act and treat each other like family just as a team should. We encourage team bonding events to strengthen our unity and the family we have.

Magnanimous Our teams are selected based on character, sportsmanship, and quality of play. We are looking for magnanimity, a virtue of those who consider themselves capable of great things and who affirm their dignity through words and deeds.

Aggressive – We want our athletes to exhibit ferociousness and aggressiveness while playing this game. Competition isn't about winning and losing. It's about pushing yourself and your teammates to become 1% better every day.

Strong Pumas will exhibit a unique quality of strength and balance. A Pumas Fastpitch player must be able to bounce back from the lows of tough losses and stay humble during the highs of amazing wins in this sport. We also encourage our athletes to play other sports and be involved in other positive activities to build a solid foundation for success.

Pumas Fastpitch Mission Is to create an affordable community-based fastpitch program which will focus on developing and maximizing the talents of the fastpitch softball players therewithin. The goal is to develop and prepare these athletes for high school softball and beyond if desired. Utilizing the values of respect, honesty, and integrity we will coach our players to excel not only as athletes, but also as positive members of society and good stewards in their communities.

Vision of Pumas Fastpitch will be for that of players to attend regularly scheduled practices, as well as maintain skills on their own through individual lessons in the off season. A summer season will be 5-7 tournaments of which some could be out-of-state events. Many of the tournaments will be either USA softball, USSSA, NAFA, or PGF sanctioned tournaments in the state of Wisconsin. One of those tournaments can include an out of state or national level of play.

Pumas Fastpitch is an organization run by volunteers. We do not exist to make a profit. We love the game and the teams we coach. The fees are created by adding all tournament entry fees, practice facility fees, insurance fees, player equipment, additional team/player gear, uniforms, and team sponsored events. We try to keep the cost as affordable as possible.
